

Control board DT0113

Electronic control board with capacitive touch technology complete with backlighting and white or blue symbol. It is equipped with 6 buttons and offers the possibility of managing many functions. Designed for household appliances such as extractor hoods and hobs, it has technology for managing motors, lights, timers, automatic switch-off, alarms and/or functionality of several accessories. The dual circuit with remote backlighting from the touch glass offers the possibility of illuminating the function symbol.

Board technology	Capacitive touch
Number of keys	6
Backlighting	Yes
Operation timer	Yes
BT / Wi-Fi Technology	Optional
Customisable functionality	Yes
Conformity	CE

Input voltage	12VDC
Display	No
Acoustic signaller	Optional
Remote control technology	Optional
Plastic protection containers	Yes
Product size	120x30 mm

Field of application:

Extractor hoods

Deep fryers

Nebulisers

Tanks control
